

I Support S.B. 184 and H.B. 5262 regarding Absentee Voting

Hearing: FRIDAY, MARCH 4, 2022 – 10:00 AM

My name is Lurline deVos, I am a voter from Hamden. Passing both S.B. 184 and H.B. 5262 is extremely important to me because I was diagnosed with cancer in December 2020 and am concerned that if there is another COVID spike as there was the fall of 2021, I will not be able to vote safely. My family has always valued the civic responsibility of voting; my mother was a secretary to a US Senator and then Congressman. I do not want to choose between voting and my health.

I believe voters should be able to vote this year by absentee ballot as COVID19 persists. Please continue the COVID19 safety measures for 2022 and allow everyone who fears exposure to COVID19 to vote by absentee ballot.

Thank you,
